CLARKS SUMMIT UNIVERSITY

To Whom It May Concern:

It is my pleasure to recommend Dr. David Mappes for your consideration.

I have worked with Dr. Mappes as a faculty peer at Clarks Summit University for several years. The past two years, I have interacted with him more personally as I moved into my current role as Vice President for Academics.

Above all, Dr. Mappes is a man of character. He demonstrates this through his love for his family, his treatment of others, and his desire to live for and serve God with the utmost integrity.

I thoroughly enjoy working with Dr. Mappes and greatly appreciate his love for God and for the ministry of teaching God's Word. He deeply cares about his students and strives to ensure they make practical applications from his lessons. Dr. Mappes has the gift of discernment, and this is evident in his study and teaching of our Seminary apologetics' courses. Moreover, he is a serious theologian with a passionate burden to accurately handle the Word of God, which he does well.

Dr. Mappes' area of expertise is in the study and teaching of systematic theology. He has effectively taught theology and Bible exposition courses at both undergraduate and Seminary levels. In addition, David also brings years of pastoral experience to the classroom, and his shepherding heart is an integral part of his teaching ministry. He has the education, background, and skillset that make him a highly effective Professor.

Without hesitation, I confidently recommend Dr. Mappes to you. Please feel free to contact me should you like to discuss Dr. Mappes' qualifications and experience. I would be happy to expand on my recommendation.

Sincerely in Christ,

Wm J Higley

Dr. William Higley
Vice President for Academics
